

## **HENDERSON GOLF CLUB**

### **ADULT GOLF SUPERVISED PRACTICE**

#### **BEFORE AND AFTER WORK**

##### **Instruction Sessions I, II, & III**

**Session I/Day One and Two:** Participants will focus on putting and learning the game of golf through participation. Sessions will focus on putting, chipping, and pitching techniques and a Skills challenge on day two.

**Session II/ Day Three and Four:** Participants will add chipping and pitching techniques to day three and four. Participants will experiment with a variety of clubs during this session while building on putting, chipping techniques, rules of golf, and a skills challenge on day four.

**Session III/ Day Five, and Six:** Participants will focus applied rules, long irons, woods, and/or drivers. Day five participants will rotate through several performance skills stations for putting, chipping, and pitching. Day six participants will use a combination of clubs and techniques learned to participate in the Golf and Rules Skills Challenge.

**\*No more than four (4) participants per session**
