GOLF READY JUNIOR PROGRAM

SUMMER GOLF SESSIONS

Instruction Sessions I, II, & III

Session I/Day One Two, and Three: Participants will focus on putting and learning the game of golf through participation and rules. There will be a skills challenge on day three.

Session II/ Day Four, Five, and Six: Participants will add chipping and pitching techniques to day four and five. Participants will experiment with a variety of clubs during this session while building on putting, chipping techniques, rules of golf, and a skills challenge on day Six.

Session III/ Day Seven, and Eight: Participants will focus applied rules, long irons, woods, and/or drivers on day Seven. Day eight participants will rotate through several performance skills stations for putting, chipping, and pitching.

Session III/ Day Nine: Participants will use a combination of clubs and techniques learned to participate in the Golf and Rules Skills Challenge.

- Sessions are open to kids (Age 7-15)
- Open to the first 4 participants
